PROPOSAL BY THE NETHERLANDS

The Preparatory Committee for the Review Conference of the Parties to the Sea-Bed Treaty,

Conscious of the short time available for discussion during the Review Conference,

Stressing the need for adequate preparation for the Conference,

Recommends to Governments of States Parties to the Treaty, to submit to the Secretary-General of the Conference any substantial proposal to be considered by the Conference at least one month before the Conference starts,

Asks the Secretary-General of the Conference to distribute such proposals immediately to Governments of States parties to the Treaty.
